

Chocolate-Covered February in HERSHEY

IDEAS FOR A COUPLE'S GETAWAY

In honor of Chocolate-Covered February, we've put together a sample of events and activities just for the two of you! Please note that event availability can vary based on your dates of stay, so check out our calendar of events to see all the chocolate-covered fun happening during your stay!

DAY 1

MORNING

What better way to celebrate love and romance than taking a trip to *Hershey, The Sweetest Place On Earth* during Chocolate-Covered February?! Here you'll find many ways to enjoy time together while you participate in unique chocolate events and activities throughout the destination.

Start your trip with a visit to The Hershey Story Museum where you'll learn all about the most famous couple in Hershey's history, Milton and Catherine Hershey, and take an inspirational journey through Milton S. Hershey's lifetime and beyond. Also at the Museum, try one of our hands-on Chocolate-Covered February activities, like 'Try it with Truffles' where you will make and decorating your own sweet chocolate treats.

From The Hershey Story, you're within easy walking distance of three great restaurants. Try the unique chocolate tasting bar at Café Zooka, where you can sample warm drinking chocolates from around the world –located inside The Hershey Story—or visit Devon Seafood Grill or Houlihan's and be sure to try a chocolate-infused drink special.

AFTERNOON

Visit *The Spa At The Hotel Hershey* for some relaxation and unique chocolate treatments. Experience "His" and "Hers" pampering with our Chocolate Spa sampler, try one of our special 10th anniversary treatments, or indulge in Couple's Cocoa Massage. While at the Spa, don't forget to enjoy a steaming cup of our famous hot chocolate while curled up in one of our lounge areas.

EVENING

Take part in one of our wine and chocolate or beer and chocolate pairing seminars, or try your hand at mixing a variety of chocolate martinis. Or, check out the Chocolate Hour specials at our restaurant bars, including specialty hot chocolate and all kinds of chocolate cocktails.

Our exclusive Chef's Tables at *The Hotel Hershey* are a great way to meet the talented chefs of Trevi 5 and the Circular Dining Room and learn more in-depth about our unique and distinctive cuisine.

Hershey is a dessert destination and chocolate pastries and confections are a feature in every restaurant. Can't decide on just one? Come to our Chocolate Dessert Buffet at *The Hotel Hershey* for an opportunity to sample as many of these showcase chocolate desserts as you'd like!

To truly celebrate Chocolate-Covered February, choose our exclusive 'Sealed With A Kiss Romance Package', featuring a 7oz. Giant *Hershey's Kiss* for you to share! Or, create your own package by combining your selected Chocolate-Covered February events and activities with a stay at *The Hotel Hershey* or *Hershey Lodge*.

DAY 2

MORNING

It's another beautiful day in Chocolate Town! Grab a coffee, mocha, or hot chocolate and morning breakfast pasty at one of our Cocoa Beaneries, or opt for breakfast in bed off our room service menu. After breakfast, take some time to peruse the selection of LeVian Chocolate Diamonds at *The Jeweler At The Hotel Hershey*. What a great way to commemorate a special visit to *Hershey, The Sweetest Place On Earth!*

AFTERNOON

No trip to Hershey is complete without at stop at Hershey's Chocolate World attraction. Here you can learn all about the chocolate making process on our complimentary tour ride with a free Hershey's sample at the end. As part of Chocolate-Covered February, take part in a 'Decadent Chocolate Dessert Demo' or Create Your Own *Hershey's Candy Bar!* Be sure to save a seat for two on the Hershey Trolley Works. Once aboard, you'll be entertained and informed as you ride through the town built on chocolate.

EVENING

Hershey is home to world-class entertainment, so be sure to check our calendar of events about the shows and concerts that may be here while you're in town. Or, simply relax at *The Hotel Hershey* or *Hershey Lodge* and enjoy our indoor pools and variety of recreational opportunities.
